CECILIA S. R. COUTINHO

.FullStack .Net Developer

Profile

As a Fullstack .NET Developer, I am highly motivated to pursue a challenging opportunity that allows me to acquire new skills and expand my knowledge base, while also growing my career under the guidance and mentorship of a company committed to innovation and best practices. My primary area of interest lies in backend development, with a focus on **C#**, **SQL**, and **API** development. In addition, I also have knowledge of **HTML**, **CSS**, and **JavaScript**, and I am enthusiastic about using these technologies as well.
